

**-2022 Wreath Project-
Sacramento Valley National Cemetery
5810 Midway Road, Dixon, CA
Saturday, December 10, 2022
*Event goes on, rain or shine***

Each December, holiday boughs are placed on all the gravesites at this local veterans' cemetery in honor of our veterans resting there. This tradition began in 2006 when the cemetery opened and it is one of the few in the country to have 100% coverage each year. To reach that goal again this year, we will need to purchase 30,000 boughs. Funds are collected year-round and boughs are purchased in advance; the public is invited to help place the boughs.

Currently, there are no plans for a program this day; instead, volunteers are welcome to visit SVNC on Saturday, December 10th, to assist with scheduled placements starting at 8 AM, and ongoing throughout the day, until all are placed. (The placement has only taken a few hours to complete the past two years). Carpooling is encouraged and SVNC staff will be directing parking within the cemetery. Check the website www.wreathproject.org for frequent updates or Facebook page: Wreath Project (Sacramento Valley National Cemetery). Volunteers of all ages are welcome. Adult and teen volunteers are needed for Friday, December 9th, to help unload trucks at the cemetery, starting at 3 PM; watch website, email and FB for detailed updates or text 707.249.5852.

For families and friends wanting a more private placement, boughs will be available for pick up at the following locations starting on Saturday, December 3rd. You may pick up a bough and place it any time before the public event Saturday, December 10th. You will notice that this year there will be an early pick up location at the cemetery and it will be a drive-thru station again. You do not need to donate to participate. Call or text 707.249.5852 for any questions.

***10 AM - 1 PM: Saturday & Sunday, December 3th & 4th (weekend only); Sacramento Valley National Cemetery**

*Dixon locations * 8 AM - 4 PM: Mon - Fri; December 5th -- 9th; Grow West, 8751 Pedrick Road
